Begin forwarded message: Do you think this waiver covers us;  
or do we need a separate waiver for each; Todd Hennis and Robert Monadrock?

Appreciate your feedback

Thanks

David-

Attached is the hold harmless and indemnify signed by each person to enter the Red and Bonita. This is for a one time sampling, under EPA supervision. We are cooperating with them to solve the Sunnyside Mine Pool problem. If we sample on your claim, we will share the findings from that sampling with you.

For San Juan Corp.,

Todd C. Hennis, Pres.
